"Mother's Friend"

Not only shortens the time of labor and lessens the intensiof labor and lessens the intensi-ty of pain, but it greatly dimin-ishes the danger to life of both no her and child and leaves the mother in a condition highly favorable to speedy recovery, and far less liable to Flooding, Convulsions and other alarming symptoms incident to slow or sinful labor. Its wondertu officery in this respect entitles it to be called the Mother's Friend and to be ranked as one of th life-paying remedies of the ninefrom the nature of the case, it will of course be understood that we cannot publish certifieates concerning this remedy without wounding the delicacy of the writers. Yet we have hundreds of such testimonials on file.

water if you can. them together. When the stranger with a little ammonia; iron on the

The barbed wire feace must go, and the enormous profits made out of the patent will dwindle away by low but sure degrees. A judgment just rendered by the supreme court of New Jersey deals a heavy blow at what counsel in the case deciared is "legally an invention of the devil." The case was one for the devil." The case was one for the case was one for the devil." The case was one for the case was one
